# Moving Clark County From Good to Great

## Building Healthy Community Forums

Join Community Choices for a series of provocative discussions to address meeting the challenges of becoming the healthiest community in our state.

### Good to Great Fall Forum at a glance:

#### **SAVE THE DATE!**

#### **Walkable Communities: Can we get there from here?**

October 23rd, 2007 • 10:45am - 1:00pm

Firstenburg Community Center, (lunch included)

#### What to Expect:

- Hear from National pedestrian advocate, book author and host of PBS "America's Walking" **Mark Fenton** who will address issues and the need for community and public-policy support for building and sustaining walkable communities;
- Experience a lively, candid panel discussion to tackle the barriers for improving walkability in our community;
- Take action! Improving walkability will take collaboration and vision. Learn how to be part of the solutions.
